- The Race Officer may decide to run a separate start for Juniors, depending on entries. In which case elapsed times will be adjusted for starting time when calculating overall results
- Overall results will be calculated using Club Portsmouth Numbers.
- Age category results for Grand Masters and Veterans will be calculated using age adjusted Club Portsmouth Numbers as follows:
 - The ages in years of helm and crew will be added. For single-handed boats the helm's age is doubled.
 - For a combined age greater than 100 the PN will be increased by 2 points per year over 100.
 - For a combined age less than 100 the PN will be decreased by 3 points per year under 100
 - Examples:
 - **Helm aged 55, crew aged 59.** Combined age 114. New handicap number is $PN + (114-100) \times 2 = PN + 28$
 - **Single-handed helm aged 55.** Doubled age = 110. New handicap number is $PN + (110-100) \times 2 = PN + 20$
 - **Helm aged 55, crew aged 15.** Combined age = 70. New handicap number is $PN + (70-100) \times 3 = PN - 90$
- IBRSC Club Sailing Instructions will apply
- Scoring will be as per Special Events in the SI's, i.e. both races count towards overall position
- Prizes will be awarded for Overall and age category positions
