Duties

Carrying out your team and fleet duties (and assisting at working parties) is not just a condition of membership, but also the only way that the club can operate; we rely on you! If a date is inconvenient, organise a swap; find a day you can do and phone through the members of that team (list in the clubhouse). The swap board is also available. **If you miss a duty you create much more work for the rest of your team, who may have to reduce the sailing and catering available.** Allow for a Sunday duty to last all day - it may be possible to reduce the team in the afternoon but it is not fair to expect the same people to stay late each time. Information you need for duty days can be found in the member's handbook. Please note that on duty days you should be at the club 90 minutes before the first race, kitted out for rescue boat duty. Thanks

Tuesday Evening Trysail and Cruising

The Tuesday scheme helps people get into sailing at a low cost. Volunteers are always welcome to help. You can take people out in your boat, help with the rescue boat or man the bar; all vital! Please speak to Noel Reeve (07968 961406) if you can assist.

Junior Sailing School

Basic instruction for beginners for 8 to 17 year olds on Sunday afternoons (see above). Contact Mike Jones (see list for details).
